

Woodlands Primary School

Mrs Ahmad
1AA

Hello! I am Mrs Ahmad and I am overjoyed to be entering my fourth year at Woodlands Primary School. I am so privileged to have the opportunity to work in Y1 again this year; I am so excited to be your teacher!

This year is going to be such an exciting year for us all as you head from Reception into Y1; we are going to learn about lots of things together. Our learning journey will take place using a child centred approach, enabling learning opportunities to help you reach your full potential.

When I am not in school, you can find me on fun filled days out with Mr Ahmad and my two daughters, Malaika and Alishba. We usually end up walking in North Wales or taking part in outdoor adventure sports; we enjoy climbing, bouldering, gorge walking and mountain biking. We also love camping, running, exploring mountains and especially having a BBQ by a lovely lake.

I already know lots about you from talking with your Reception class teachers and I just can't wait to get to know you some more and see you flourish with maturity; we have lots of exciting things planned for us to do together!

Woodlands Primary School

Miss Sayce
1ES

Hello! My name is Miss Sayce and this is my fourth year working at Woodlands Primary School.

I am very excited to be teaching Year 1 again this year, I love being part of the Key Stage 1 team!

I enjoy teaching all subjects but I particularly like history as there are so many exciting things to discover. I also love reading and some of my favourite books are 'Stickman' by Julia Donaldson and 'The Very Hungry Caterpillar' by Eric Carle.

When I am not in school, I love to bake tasty treats for my friends and family, as well as grow fruit and vegetables in my garden! I also like to watch football, especially my favourite team, Shrewsbury Town FC.

I can't wait to get to know you all, I know we will have so much fun and learn a lot!

Woodlands Primary School

Mr Barnes
2PB

Welcome to Year 2!

Hello everyone! I am Mr Barnes and I have been working at Woodlands Primary School for 17 years across EYFS, key stage 1 and Key Stage 2.

I am passionate about the Arts and have led a number of whole school art projects since starting at Woodlands. One of the most successful projects was the one based on the impact of palm oil on animals in Sumatra. It was in association with Chester Zoo and the school looked amazing when completed. The children produced work of such a high standard and more importantly, understood how important it is to look out for products using sustainable palm oil ingredients.

Outside of school, I have two children, Mia, 18 and Charlie who is 16. I enjoy running, cycling, football and most of all, being with my family. I cannot wait to learn more about you, and discover what your passions, hopes and dreams are!

I am very excited to be your new teacher this year in 2PB and I cannot wait to help you to be the best you can be!

Woodlands Primary School

Miss Roberts
2DR

Hi! I am Miss Roberts, and I am the KS1 lead. This will be my sixth year teaching at Woodlands Primary School, and I am so excited for another fantastic year at such a supportive school.

I am passionate about teaching all subjects but I particularly enjoy physical education. I believe that physical activity should be at the heart of all learning to support our personal and academic development.

When I am not in school, I like to keep myself busy with exercise and going on long countryside walks. I also enjoy travelling to new cities and countries, and spending time with my family and friends.

I can't wait to begin our learning journey together in September and learn about all of your interests, hopes and dreams. It is going to be a very exciting year!
