

Woodlands Primary School

Miss Gittins
5MG

Hello! I am Miss Gittins and I have been working at Woodlands Primary School for 6 years now. This year, I have been studying at university to gain a National SENCO award- which I will have achieved by September 2023. I have enjoyed working on my studies and respect how much effort it requires to learn new things- **we are all life long learners!**

As a teacher, **I am passionate about problem solving and building resilience within ourselves.** I am a firm believer in having a growth mindset and not saying, 'I can't do it' but instead saying 'I can't do it YET'. I love finding fun ways to find a solution and celebrating achievements within my class.

When I am not in school, I am usually found at the gym, enjoying different fitness classes, running around Chester or enjoying a good book or film. I am also a huge fan of music; I love Elton John, and I even have a cat called Kate Bush (named after a brilliant musician from the 70s).

Mrs Edwards and I have already been planning fantastic and fun-filled learning opportunities for you to enjoy next year. **I cannot wait to get started and see what we can all achieve together!**

I hope you all have a fun, safe and well-deserved break this Summer,

See you in September!

Woodlands Primary School

Mrs Edwards
5SE

Allow me to introduce myself! I am Mrs Edwards; I would describe myself as your new Year 5 teacher and a cheerful and outgoing teacher who believes that life is meant to be enjoyed to the fullest. I have an unwavering passion for having fun and believe in creating memorable experiences.

When in school, I feel passionate about teaching all subjects however; I adore teaching English and watching your writing, reading and spellings grow throughout the year. I also love the fun and creativity when teaching PE lessons and COJO's.

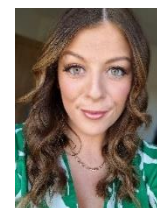

Beyond the classroom, I am a proud and devoted mother to two wonderful boys. Being a mum is a significant part of my identity, and I cherish every moment spent nurturing and guiding my children. They inspire me to be the best version of myself and remind me of the importance of love, patience, and constant growth.

With my fun-loving nature, passion for English, dedication to my family, and love for exciting family outings, I bring a vibrant and dynamic energy to our class. I look forward to getting to know each and every one of you and creating a warm and inclusive learning environment where we can all thrive and grow together. Let's embark on this exciting journey as a class and make unforgettable memories along the way!

Let's make Year 5 a year to remember!

Woodlands Primary School

Miss Tyrer
5/6LT

Welcome to 5/6LT: another exciting year in Woodlands Primary School!

Hello everyone! I am Miss Tyrer, and I am delighted to be entering my 8th year of teaching at Woodlands. I cannot wait to spend another year as part of such an exciting and creative school, and I am thrilled to be continuing my journey at Woodlands as a Year 5/6 teacher and as the phase leader for UKS2.

I love teaching all subjects and seeing children shine across the curriculum. This year, I am excited to be leading English across the whole school! I am incredibly passionate about developing a love of reading and writing in all children, and I love how writing allows us to express our creativity in so many different ways.

When I am not in school, I am often busy renovating my very first home which I bought in July 2021 (and is still very much work in progress!), and trying to stop my pet cat – Hugo – from destroying the place! I also really enjoy going to concerts, and spending time with family and friends.

I believe that in order to succeed it is vital to work as a team and support one another through all of the exciting challenges a new year can bring. I cannot wait to get to know you all better and learn all about your hopes, dreams and aspirations!

Woodlands Primary School

Miss Shepherd
6BS

Hello I'm Miss Shepherd and I'm extremely excited to be your Year 6 teacher at Woodlands Primary School next year! I will be entering my third year at Woodlands and I am extremely excited to be leading PE across the school this year.

In Year 6 there are lots of exciting things to look forward to and, other than the core subjects, we will be working on topics such as: The Ancient Greeks (one of my favourites), Early Islamic Civilization and Wars over time!

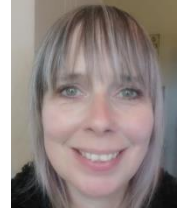

When I am not in school, I enjoy spending time with my family, friends and my three dogs Cleo, Lottie and Mila. I love listening to music and going to concerts of my favourite artists as well as going on long walks with the dogs, who tend to get very muddy!

I am passionate about all things art related and history as these were some my favourite subjects I studied. We are going to work hard but at the same time I'm sure we will have a fantastic year together. I cannot wait to see you all in September ☺

Bring it on 6BS!

Woodlands Primary School

Mrs Megginson
6DM

Welcome to Year 6!

Hello. I am Mrs Megginson and I will be your teacher in September. I am really excited that we will be working together! This will be my seventh year teaching at Woodlands and I am the history lead at our school.

Outside of school I like to spend time with my family and friends. I have 2 children. My son has just finished university and my daughter is in high school, but it doesn't seem that long ago since they were in Year 6! We are all big music fans in our family - we like to go to music concerts and festivals together, go camping and walking in the woods or on a beach.

I am thrilled to be part of the Y6 team. We have worked together as part of the Upper Key Stage 2 team and we want to make your final year at Woodlands one to remember! We already have lots of exciting ideas and plans in place for you. I know we will have a great year together. I want our classroom to be a busy, happy place and I can't wait for us to get going. Have a great summer!
