

A Day in the Life of a Nursery child at

Woodlands!

A very warm welcome to Nursery! We cannot wait to get to know you, learn lots of new things and make many happy memories together!

A Morning in Nursery

When you come into the classroom every morning, your teacher will greet you by the door. You will put your belongings away, choose your lunch and sign in with your name and picture. We will get together on the carpet for our learning input which might be counting rhymes, sharing a favorite story or finding out about different seasons! Every morning, you will be able to choose freely between a range of activities and you will also take part in exciting group activities with staff. We play outside every day and we also have a variety of food for a healthy mid-morning snack! We'll say good bye to our friends who go home at lunchtime. Your teacher will hand you over to your grown up.

An Afternoon in Nursery

After our lunch and play time, we are ready for action again!

In the afternoons you will continue to learn and develop through a wide range of play activities inside and outdoors!

The seven areas of learning are listed below:

Prime areas: • communication and language • physical development • personal, social and emotional development

Specific areas: • literacy • mathematics • understanding the world • expressive arts and design

At the end of the day, your teacher will let you out through your class door.

General Information

- ❖ You will need to bring a water bottle into school each day, filled only with water.
- ❖ Please remember to label all of your belongings with your name!
- ❖ Please remember to keep some spare clothes in your bag.
- ❖ Once everyone is settled in school you will enjoy weekly PE and Commando Joe sessions.
