

Ellesmere Port School Sport Partnership

Inspire	The children invited to take part in these events are those who are highly motivated to play sport, happy with competition, higher ability, comfortable with challenge for example club players (school and / or community)
Aspire	The children invited to take part in these events are those who are willing and enjoy taking part but not overly competitive, social participants, first time engagement, skill level variable. Not your best team players who demonstrate a higher skill level.
Celebrate	The children invited to take part in these events are those with low motivation, would rather do something else, low physical literacy, have previous bad experiences. These children have not represented their school before.
SSP	Your choice but still some targeted events.
