## 1. INTRODUCTION - OVERVIEW

Woodlands Primary School recognises that children missing education are at significant risk of underachieving, becoming victims of harm, exploitation or radicalisation, and NEET (not in education, employment, or training) later in life.

Woodlands Primary School recognises that effective information sharing between parents, schools and key partner agencies is critical to ensure that all children of compulsory school age are safe and receiving a suitable education.

The guidance in this policy follows the guidance set by Cheshire West and Chester (CW&C) outlining the key principles to enable Cheshire West and Chester (CW&C) to implement their legal duty under **section 436A of the Education Act 1996**, to enable arrangements to identify, as far as is possible to do so, children missing education.

**Children Missing Education are children of compulsory school age (5 – 16 yrs) who are not registered pupils at a school or setting and are not receiving a suitable education otherwise, and whose whereabouts are unknown.**

It is intended that this document will be used as a point of reference by staff at Woodlands Primary School.

This document provides a framework within which, consistent practices and procedures can be applied, in compliance with Department for Education Statutory CME Guidance 2016.

Woodlands Primary School is committed to work with CW&C Children and Families Service who are committed to working with schools and settings and other key partners, to improve the monitoring and swift return of children and young people to a suitable education provision. Prompt action and early intervention are crucial when discharging this duty effectively to ensure that children are safe and receiving an appropriate education.

Woodlands Primary School recognises that CW&C have effective tracking and enquiry systems in place and have a named point of contact to whom schools and other agencies can make referrals concerning children who are missing education. CW&C monitors the number of children/young people in the Local Authority area who are not receiving a suitable education, including those known to have newly transferred into the area. CW&C have clear access rules and procedures to ensure fair and safe data processing, in compliance with General Data Protection Regulation (GDPR).

In working with CW&C, Woodlands Primary School recognises that adopting these procedures will also ensure that all Children's Services in CW&C maintain high standards of safeguarding and will:

1. Meet statutory duties relating to the provision of education and safeguarding the welfare of children & young people missing education.
2. Ensure that robust systems are in place within the Local Authority to identify and track children and young people missing from education, or who are at risk from doing so.
3. Ensure that monitoring and reporting systems are in place to identify, where applicable, any lead agency or key worker who may be involved in supporting a child or their family, who has been reported as a child missing in education.

4. Ensure all CW&C Schools and Settings are fully aware of their responsibilities in relation to children missing education and will properly support and challenge, where appropriate, in meeting these responsibilities.
5. Support and assist other Local Authorities to locate their own missing/lost pupils.

**This Guidance does not replace current Local and Pan Cheshire Safeguarding Procedures and mechanisms for reporting and recording child protection.**

## **2. GROUPS OF CHILDREN AND YOUNG PEOPLE AT RISK**

Woodlands Primary School recognises that there are many circumstances where a child may become missing from education, so it is vital we work with CW&C to ensure that judgements are made on a case-by-case basis.

Although not exhaustive, the list below presents some of the circumstances that Woodlands Primary School & CW&C/Local Authorities should consider when establishing their CME policies and procedures:

- **Pupils at risk of harm/neglect** – Children may be missing from education because they are suffering from abuse or neglect. Where this is suspected, Woodlands Primary School will follow local child protection procedures. However, if a child is in immediate danger or at risk of harm, a referral must be made immediately to Children’s Social Care (and the police if appropriate). Local Authority officers responsible for CME should check that a referral has been made and, if not, they should alert Children’s Social Care. The Department’s statutory guidance ***Keeping Children Safe in Education (September 2023)*** provides further advice for schools and colleges on safeguarding children.
- **Children of Gypsy, Roma, Traveller families (GRT)** – Woodlands Primary School will inform the Local Authority when a GRT pupil leaves the school after first identifying a new destination school, particularly during the transition from primary to secondary, so that they can attempt to facilitate continuity of the child’s education. The Local Authority Traveller Education Consultant and Education Welfare Service can advise schools on the best strategies for ensuring the minimum disruption to GRT pupils’ education, for example “dual” registration with other schools.
- **Children of Service Personnel** – Woodlands Primary School recognises that families of members of the Armed Forces are likely to move frequently – both in the UK and overseas and often at short notice. Woodlands Primary School will liaise with the Local Authority CME and Tracking Officer who will liaise with the MoD Children’s Education Advisory Service (CEAS) to ensure safeguarding and continuity of education provision.
- **Missing children and runaways** – Woodlands Primary School recognises that children who go missing or run away from home or care may be in serious danger and vulnerable to crime, sexual exploitation, or abduction as well as missing education. The CME and Pupil Tracking Officer will liaise with key partners to ensure appropriate safeguarding measures are followed.
- **Children who cease to attend a school** – Woodlands Primary School understands that there are many reasons why a child stops attending a school. It could be because the parent chooses to home educate their child. However, where the reason for a child who has stopped attending a school is not known, Woodlands Primary School and the Local Authority will investigate the case and satisfy itself that the child is receiving a suitable

education. In all cases the CME and Pupil Tracking Officer at CW&C will liaise with relevant Local Authority Officers, where appropriate.

- **Children of new migrant families** – Woodlands Primary School recognises that children of new migrant families may not have yet settled into a fixed address or may have arrived in a Local Authority area without that Authority becoming aware, therefore increasing the risk of the child missing education.

### **3 NOTIFICATIONS OF CHILDREN AND YOUNG PEOPLE NOT IN EDUCATION AND REFERRAL ROUTES**

Woodlands Primary School recognises that notification of children missing in education can be received from CW&C, multi -agency professionals, other Local Authorities or from any other person who comes into regular contact with a child or young person.

Woodlands Primary School recognises that Cheshire West and Chester work in partnership with key stakeholders and partner agencies and any other professional who frequently comes into contact with school aged children and young people. All staff in Woodlands Primary School understand that **it is an expectation that any professional who becomes aware of a school aged child missing education will make enquiries concerning their educational status.**

At Woodlands Primary School, in the event of a child not being on the roll of school, or is Electively Home Educated, it is the responsibility of the attendance officer to contact the **CME & Pupil Tracking Officer, Mrs Sue Humphreys, email [Sue.Humphreys@cheshirewestandchester.gov.uk](mailto:Sue.Humphreys@cheshirewestandchester.gov.uk); Tel 01244 973333 or mobile 07879 113 368** to report the situation.

### **4 PROCEDURES FOR SCHOOLS AND SETTINGS**

Woodlands Primary School will promptly make “**reasonable enquiries**” as set out in the **DfE Statutory CME Guidance (Sept 2016)** to contact the parent or carer in instances where a child leaves or ceases to attend school:

- without the school being advised by the parent/carer of an intended change of home address, or new school or setting at which the child is to attend.
- where the child has not returned from leave of absence from a holiday, within two weeks of the expected date of return.
- when a child fails to attend school after having accepted a place.

Following 10 days of non-school attendance **or** when Woodlands Primary School have completed all reasonable checks, as set out in the DfE Statutory CME Guidance September 2016, (to include attempts to contact parents/carers, other emergency contacts etc), staff must refer to the Education Welfare Service (EWS) using the Missing Child Referral form (**CME2**)

Woodlands Primary School understands that the Education Welfare Service will then make reasonable efforts to identify the child’s current whereabouts/destination. This will include:

- undertaking a home visit within 5 working days of receipt of the referral, to make enquiries at home or with known contacts and neighbours, as appropriate.
- reference to local databases within the Local Authority.
- contact with any other agencies or key partners known to be involved with the family.

If, at any point in this process, the child is located, Woodlands Primary School must complete the Pupil Tracking Notification form, submitting to

[cmeandpupiltracking@cheshirewestandchester.gov.uk](mailto:cmeandpupiltracking@cheshirewestandchester.gov.uk) ensuring that all required mandatory forwarding information, is provided.

However, if after undertaking all “**reasonable enquiries**” and following completion of the CME process (ie **CME2 Referral** to EWS), where the child’s location remains unknown, following 20 consecutive school days of unauthorised absence, Woodlands Primary School will remove the pupil’s name from school roll, ensuring completed **CME3 Notification** is submitted securely to: [cmeandpupiltracking@cheshirewestandchester.gov.uk](mailto:cmeandpupiltracking@cheshirewestandchester.gov.uk)

**Woodlands Primary School will subsequently upload the CTF via s2s in accordance with the DfE guidelines.**

Woodlands Primary School understands that upon receipt of the **CME3 Notification** form, the CME & Pupil Tracking Officer will investigate further with internal colleagues and key partner agencies. These enquiries may include liaison with and reference to:

- Health Agencies
- DfE data systems
- ESCR (social care) database
- CW&C Housing Benefits Agency and Council Tax
- Any other relevant government agencies (eg HMRC)
- Other Local Authorities where it is suspected the child may be living or have previously resided.

If the child’s whereabouts remain unknown after all enquiries have been exhausted, the CME & Pupil Tracking Officer will post a national missing children alert via the DfE s2s Missing Pupil database.

**Woodlands Primary School recognises that children missing education may raise potential safeguarding concerns. If we believe a child or family have gone missing, we will NOT remove that child’s name from our school roll without first following the CME Guidance and Procedures, ie ensuring all reasonable enquiries have been made as referred to on the CME1 Checklist, referring to the Education Welfare Service using CME2 Referral form, and upon completion of the CME process, subsequent submission of CME 3 Notification form, which must be submitted securely to: [cmeandpupiltracking@cheshirewestandchester.gov.uk](mailto:cmeandpupiltracking@cheshirewestandchester.gov.uk)**

## **5 REMOVAL FROM SCHOOL ROLL**

Woodlands Primary School will notify the Local Authority CME & Pupil Tracking Officer when a pupil’s name is to be removed from the admissions register at a non-standard (In year) transition point under any of the fifteen grounds set out in the regulations (**Regulation 8 of the Education (Pupil Registration)(England) Regulation 2006**) and **Annex A** of the **DfE Statutory Children Missing Education Guidance (September 2016)**.

**Woodlands Primary School recognises that removing a child from school roll for any reason other than those specified above is illegal.**

Using the **Pupil Tracking Notification** form, Woodlands Primary School **must** notify the Local Authority via [cmeandpupiltracking@cheshirewestandchester.gov.uk](mailto:cmeandpupiltracking@cheshirewestandchester.gov.uk) **each time a pupil’s name is removed** from school roll **at both “in year” transfer and during primary transition to secondary education**, to report moves to schools located in other Local Authority areas; transfers to a non-maintained school (Independent); moves abroad or out of the Local Authority area; or withdrawal to be become Electively Home Educated.

**Notification form CME3** must only be completed and submitted to report children and young people whose names have been removed from school roll, following 20 consecutive school days of unauthorised absence, where their current whereabouts are unknown, and when all “reasonable enquiries”, as clearly set out in the DfE Statutory CME Guidance (Sept 2016), have been undertaken by Schools or Settings, and the required Local Authority CME process has been completed (ie CME2 Referral previously submitted to Education Welfare Service).

Woodlands Primary School recognises that additional advice can be sought from Education Welfare Service or CME & Pupil Tracking Officer.

## 6 TRACKING AND CROSS BOUNDARY ARRANGEMENTS

Woodlands Primary School recognises that CW&C have in place arrangements to enable joint working and information sharing with other local authorities and key partner agencies, to safeguard and promote the welfare of children (**Working Together to Safeguard Children 2018**).

If a child becomes missing from a CW&C school, but resides in another Local Authority, the CME & Pupil Tracking Officer will contact the Designated Lead in the child’s “home” Local Authority to alert them of any change in the pupil’s CME status, providing key information in a timely manner.

Similarly, if a child or young person leaves Cheshire West and Chester, the CME & Pupil Tracking Officer will notify the “receiving” Local Authority of the reported transfer in, and will request confirmation of arrival, to ensure appropriate safeguarding of the child or young person.

## 7 COMMON TRANSFER FILE (CTF)

Woodlands Primary School recognises that there is a statutory requirement for all schools and settings to transfer specified information about a pupil moving School, to the “receiving” School. Since June 2002, this information has been transferred through the electronic common transfer file (CTF) via DfE’s s2s secure system.

### Common Transfer Form (CTF)

Woodlands Primary School understands that it is required to ensure that CTF data is sent to a pupil’s “new” maintained school by the former school within 15 days after the pupil ceases to be registered at the “former” school. The unique pupil number (UPN) must be included in the CTF as a unique identifier for the pupil and each UPN should only contain information regarding **only one pupil**.

Briefly, when uploading a CTF, if the current school is unaware of where a child has moved to (home address or new school), then a transfer file using XXXXXXXX as the destination must be created and uploaded to the secure s2s site.

When a pupil moves abroad (including to Scotland or the Republic of Ireland), becomes Electively Home Educated or transfers to a non maintained (Independent) school, code MMMMMMMM must be selected to upload the CTF. This enables the CTF to be stored securely and is available if the child returns to a maintained school in England or Wales.

**Files coded as XXXXXXXX and MMMMMMMM are uploaded to the DfE s2s in the same way as transferring files to other schools – these files must only contain the details of one pupil to enable individual pupil information to be stored or retrieved in compliance with GDPR.**

Woodlands Primary School understands that in the unlikely circumstance of a pupil joining a Cheshire West and Chester school without the school first receiving a CTF from the child's previous school, or where a parent/carer is unable or unwilling to provide information about the child's previous school, the "receiving" school can contact the Local Authority CME & Pupil Tracking Officer, at [Sue.Humphreys@cheshirewestandchester.gov.uk](mailto:Sue.Humphreys@cheshirewestandchester.gov.uk) telephone 01244 973333 or mobile 07879 113 368, to request assistance with a view to identifying any previous education provision.

Further guidance regarding creating and transferring CTFs is available and can be found via the internet site "school to school service: how to transfer information - GOV.UK" via the following link: [Common Transfer File 20 Guide \(publishing.service.gov.uk\)](https://publishing.service.gov.uk)

## **ADDITIONAL PUPIL TRACKING NOTIFICATIONS**

Woodlands Primary School understands that it is not required to report in year transfer to other Local Authority Schools and Academies that are located within Cheshire West and Chester Local Authority area, as this information is collected via other systems/processes.

However, Woodlands Primary School understand that it must complete the **Pupil Tracking Notification form** during "in year" transfer and at "primary to secondary transition" to report the following.

- transfers to schools and settings located in other locality areas (not in Cheshire West & Chester)
- admission to Independent Schools
- moves abroad or out of area (away from Cheshire West & Chester)
- withdrawal from school roll to become Electively Home Educated.

**CME3 forms** are only be completed to report Children Missing from Education, where their current whereabouts are unknown, and must only be submitted following previous submission of **CME 2 Referral** to Education Welfare Service and subsequent completion of the CME process.

The current DfE CME Statutory Guidance, which can be accessed via the following link, <https://www.gov.uk/government/publications/children-missing-education>, makes it very clear that there is an expectation on all schools/settings to '**make reasonable enquiries**' to establish the whereabouts of a child, prior to referral to the Local Authority.

Notification of pupil transfers (PTNs) must include the name and contact details for **at least one** parent or carer with whom the child resides, together with full details of the current and new home address, and where known, the name of the new school or education provision where the child is to attend, even for those children moving abroad.

Schools and Settings must ensure that CME and Pupil Tracking Notification forms are submitted securely to the Local Authority using the secure email addresses detailed on each of the respective CME and Pupil Tracking Notification forms, no longer than the agreed 20-day process.

**For further information and assistance, please contact Mrs Sue Humphreys, CME & Pupil Tracking Officer on telephone 01244 973333/mobile 07879 113 368 or email [Sue.Humphreys@cheshirewestandchester.gov.uk](mailto:Sue.Humphreys@cheshirewestandchester.gov.uk)**
