Snacks will be available to book for your child on ParentPay from September.

- ~ They will cost 0.80p and should be booked and paid for *by midnight* the night before the snack is required.
- ~ Once a snack has been booked you have 2 hours in which to pay. If the snack has not been paid for within the 2-hour window then it will be cancelled and your child will not receive a snack for that day.
- ~ Please note that there is a minimum payment of £1.00 if you wish to pay by card, so you will need to book more than one snack at a time. Alternatively, you can top up your payment account and ParentPay will only debit your account for the snacks booked.
- ~ School staff are not able to override the system and book a snack for your child.
