

Geography research project

1. Practise naming and locating continents on a world map/atlas.
<https://www.youtube.com/watch?v=nmvw3sTGais>
2. Practise naming and locating oceans on a world map/atlas.
<https://www.youtube.com/watch?v=X6BE4VcYngQ>
3. Locate and label the following cities on a map of the UK: London, Manchester, Chester, Leeds, Liverpool, Birmingham, Sheffield, Newcastle, Bristol, Nottingham, Cardiff, Glasgow, Edinburgh, Inverness, Aberdeen, Belfast and Dublin.
4. Pick one major UK city from the list above. Using the internet research your city using the grid below.
5. Make an information leaflet to advertise your city.
6. Don't forget you can share your research with your teacher. You can email any completed leaflets to your teacher or share them on Twitter.

Location	Physical Features	Human Features	Fun facts
What country is it in? What county is it in? Name some nearby towns, villages, cities ect.	List and describe physical features of this location. E.g. mountains, hills, rivers, cliffs, coastlines, beaches ect.	List and describe human features of this location. E.g. stadiums, entertainment venues, castles, theme parks, cathedrals etc.	Research facts that make this city unique.
