

Using the template page below, or on a blank sheet of paper, have a go at as many of these activities as you like. Be creative and don't forget to ask an adult to tweet your creations to your class teacher!

<p>Write a short story inspired by our phone safety quiz to educate young children on how to use their mobile phone safely.</p>	<p>Create a poster which encourages the safe use of online gaming such as Minecraft and Pokemon Go.</p>	<p>Write a poem discussing the positive activities we can do on our mobile phones to spread happiness to others.</p>
<p>Create a questionnaire for your family and friends asking what they enjoy doing online.</p>	<p>Write a script for a radio broadcast on how to keep safe on your mobile phone. Why not perform your radio show for your family?</p>	<p>Draw some alternative logos for your favourite mobile apps.</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div>
<p>Think of your own internet safety rules that you can follow at home to keep you, your family and friends safe.</p>	<p>Create your own internet safety crossword. Why not challenge your family and make the clues as tricky as you can?</p>	<p>Design a leaflet to help your friends and family deal with cyberbullying in the correct way.</p>
