

## Attention all Woodlands' children!

*Would you like to win a special, scientific prize while learning from home?*

Mrs O'Hara has **three super prizes** up for grabs for three talented children.

All you need to do is look for science in your home, garden or local area, take a quick snap and then send it to your class teacher through their email or pop it on Twitter! Remember to tag **@5ROWoodlands** when uploading on Twitter as well as your class teacher.

**Examples could include:** bird watching, weather, planting, home experiments or bee spotting.

Be as creative as you can and I cannot wait to see your entries!

The competition will close on **Friday 12<sup>th</sup> June** and the winners will be announced on **Monday 15<sup>th</sup> June**.

### The prizes are-

**1<sup>st</sup> place-** Free access to weekly sessions of Mad Science Live to experiment along with while you are home

**2 runner up prizes-** A copy of 'Sublime Science.' A book full of science experiments to try out thanks to the Science Boffins UK team.
