6.1.21: Literacy Lesson 2: Can I use relative clauses?

100 points

Watch the video carefully and re-watch it. Then complete the fact file for each of the gods, using sentences that include a relative clause. You can also search "relative clauses" on kiddle if you need to see more examples!

If you cannot use the Google Document, please complete the work on paper and attach a photo.

I have also uploaded a picture of a WAGOLL from last year... use this to help you write your sentences!

I LOVED doing this lesson... I hope you enjoy it too!!!
